

Cognitive Style Analysis CSA

Please complete you details below:

Name:

Surname:

Age:

Gender:

Thank you for taking part in this study

- We would like to clarify that CSA is not a measure of intelligence or ability
- Please read first the instructions about how to test yourself before you start the test:
 - Download on your desktop either English CSA version (CSA.EXE) or the German version (CSA-DE.EXE).
 - Only three keys on the key-board will be used (“B”, “N” and Enter/Return).
 - You have to mark key “B” with the red sticker and key “N” with the blue.
 - To start the test, double click on the .EXE file (the one you downloaded). The CSA will automatically load and run.
 - Follow the instructions displayed and work at your own rate.
- **At the end of the test, a screen (similar to the screen of Figure 1) will indicate your cognitive style.**
- **According to the final screen, record your cognitive style and the ratios below:**

My cognitive style is:

The WA ratio is:

The VI ratio is:

Please send the current sheet as an attachment to: margeti@yahoo.com

As soon as you sent us the current sheet, we will send you a detailed feedback about your cognitive style and they way you learn.

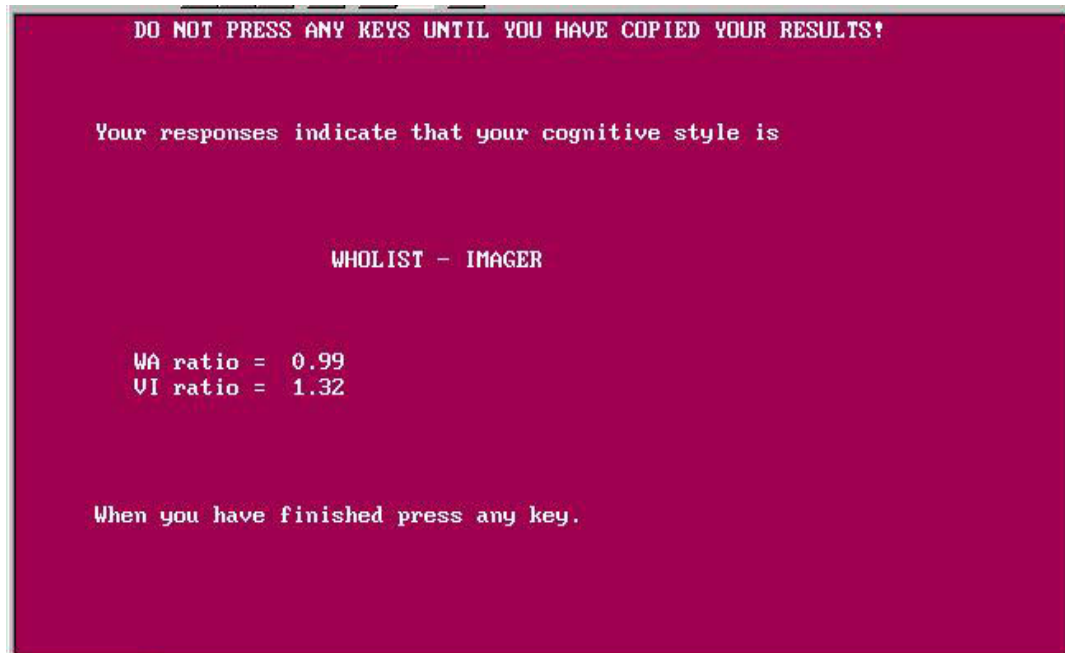

Figure 1: This is similar to the final screen of CSA that will reveal your cognitive style
